TO WHOM IT MAY CONCERN

Dear Sir / Madam

This letter serves as a letter of recommendation for SPECTRUM PAINTERS.

Spectrum, in March of 2015, were awarded the contract for the painting of our 7 story residential building in Morningside, Durban.

The owners and trustees are very pleased with the outcome of the painting project. The quote for the job was found to be very competitively priced. The workmanship of the painters was of a very high standard. Spectrum prides itself with having a full time supervisor on site. This is a must with any large project and certainly led to the quick resolve of any issues or concerns that arose. All in all, a very efficient company who are easy to do business with.

We as the trustees of Sanzala Body Corporate highly recommend the services of Spectrum Painters.

Please feel free to contact the writer on details below should you wish to ask any further questions.
