Painting Project – Coral Court rear Exterior

This serves to confirm that Spectrum Painting and Waterproofing have successfully completed the Painting Project for Coral Court, Cowey Road, Morningside.

The project was executed timeously, arriving on time for the initial appointment, and proceeding with the project with minimum disruption to occupants. When called on to do a final check and prepare a 'snag' list, I was most impressed by the neatness after completion and the fact that there were no 'snags' to report.

I definitely recommend Spectrum Painting and Waterproofing, and would not hesitate to call on them for future projects.

Yours sincerely,

A handwritten signature in black ink, appearing to read "JA Duffy". The signature is written in a cursive, flowing style.
