

Spectrum Painting and Waterproofing
info@spectrumpainting.co.za

Horizon By The Sea
15 Middleton Road,
Winklespruit.
KZN

The Body Corporate of Horizon By The Sea wish to convey to Spectrum Painting & Waterproofing and in particular to Jason Lewis and his team for the professional manner in which they went about their business in the preparation and painting of our complex .

What stands out is the extent of the pre-painting preparation work and the manner in which the site was left clean at all times.

We highly recommend Spectrum Paints & Waterproofing for a *"no mess no fuss"* operation and competitive pricing.
