Dear Sirs

This letter serves to confirm that Spectrum Painting and Waterproofing were the contractors used by Koch's Cut and Supply to repair the factory at the above address.

We found the quality of work to be of a very high standard and the productivity of their workforce to be exemplary. We found that Spectrum to be very well supervised and was indeed professional in their undertakings.

I have no hesitation in recommending Spectrum Painting and Waterproofing as a reliable and professional contractor.

A handwritten signature in black ink, appearing to read 'F.A. Koch', with a large, sweeping flourish extending to the right.

F.A. Koch
