8TH June 2006

Dear Sirs

RE: LETTER OF RECOMMENDATION:

This letter serves to confirm that Spectrum Painting and Waterproofing were the contractors used by Fishpick Property Pty Ltd to paint the factory at 38 Pickering Street, Durban.

We found the quality of work to be of a very high standard and the productivity of their workforce to be exemplary. We found Spectrum to be very well supervised and indeed professional in their undertakings.

I have no hesitation in recommending Spectrum Painting and Waterproofing as a reliable and professional contractor.

Yours faithfully

JOHN FISCHER
