TO WHOM IT MAY CONCERN

This is to confirm that SPECTRUM Painting and Waterproofing cc. recently carried out the painting of our Estate's common property buildings and perimeter wall. We found their quality of work to be of a very high standard and the conduct and productivity of their workforce to be exemplary. Mr Jason Lewis who quoted and supervised the contract was indeed professional and most helpful in advising and accommodating of our needs.

I have no hesitation in recommending SPECTRUM Painting and Waterproofing as a reliable and professional company.
