29 JULY 2013

Dear Jason

BRANDWELL BODY CORPORATE

We are the managing agents of Brandwell Body Corporate. The Trustees have asked me to address a letter to you to let you know that they were very happy with the repainting of the building carried out during May and June 2013. Your staff were most courteous and they worked extremely quickly and cleanly, yet produced a high standard of workmanship.

The Trustees have indicated that they would be happy to use your painting services in the future, and to recommend your services to other bodies corporate.

Yours sincerely

LEIGH CONNELL
