**To whom it may concern**

This letter serves to express our satisfaction with all the work undertaken by Spectrum Painters. Mr Jason Lewis and his team re painted the outside of an 11 storey building which we manage in Durban.

Given the amount of work that needed completion, I was more than pleasantly surprised at how quickly and professionally it was performed. The Painting crew was prompt, courteous and extremely hard-working. I have not had such a positive experience with contractors for many a year. Needless to say, we will not hesitate to recommend to other building owners as well as call upon them for future work.

Should you require contacting me, please feel free to do so.
